Best of Men Only 56

Editor's Letter

You know you're past it when you run out of puff in the office 5-a-side game after just 7 minutes. And when your team concedes 8 unanswered goals in 15 minutes. And when the Art Editor of Escort magazine slots a goal past you and celebrates with glee. Maybe it's time to retire to indoor pursuits. In fact, let's give up sports and get back to spurts – accompanied by the finest girls in the Men Only back catalogue, as we celebrate the greats in Best of Men Only 56; and with Madison's bountiful chest who needs football anyway?

Michelle Thorne's SPUNKMAIL

Anything to say about our last issue? Then this is the place to do it! Come on, Michelle's gagging for it!

My girlfriend Eliza and I are third-year university students. We were invited to a friend's wedding last summer, and, as the invitation stated that formal dress was required, we went to a dress hire shop.

The small but upmarket boutique we chose was owned by a rather glamorous woman named Katja. She was around mid-to-late 30s with jet-black hair, which she wore high on her head, pulled rather severely back from her face.

There was something imposing about her statuesque beauty. She was like a

and down, she called her assistant, and in a bored tone told her to find me a suit.

Eliza finally chose a dress and I went to the counter to pay. It was rather pricy for a student, but I was hoping to get my money's worth in sexual favours from Eliza, and duly paid up. As she bagged up the items and took our money, Katja reminded us of the clause in the hire agreement where compensation would have to be paid if there was any damage to the clothing. We nodded, certain that no harm would come to the

we heard someone approach – so, quickly withdrawing

my cock, I did up my zip, completely unaware that the last drops of my jizz were still dribbling onto the front of my trousers.

The following Monday I returned

"I pulled up her skirt and, nudging her knickers aside, humped her hot snatch."

JADE OF HONOUR!

Dear Michelle,

Wow! Jennifer Jade in 79.09 must be the raunchiest girl to appear in *Men Only* for many a year! As far as I'm concerned, she ticks every box with her tumbling blonde hair, gorgeous face, fantastic tits and peachy bum – all of which are on display on the cover. However, it's the way she flaunts her pussy for our delectation inside the magazine which makes Jennifer's set one of the finest you've ever featured. The girl is clearly desperate for a big cock inside her or, with your female readers in mind, a probing tongue. The photo that really says it all is that on page 31 in which she's spreading her legs deliciously wide and inviting the reader, with a coquettish expression, to fill her hole from behind. It's also nice to see a model not wearing the obligatory high heels; the soles of Jennifer's feet are a real turn-on!

Full marks to the photographer for capturing a girl in a state of intense sexual arousal, and to the *Men Only* team for an issue that is a veritable fanny fest for pussy lovers!

Brian, Cheshire.

PS. I've always enjoyed your corny headings, but 'Toy's Ah-Arsel' is truly inspired!

Michelle says: Thanks for that, Brian. You're not wrong about Jennifer – she's one horny girl who really knows how to put on a show, isn't she?!

the suit and the dress to the shop. Katja handed Eliza's dress to her assistant without comment. Taking my suit from its cover she examined the jacket. Then she examined the trousers and, much to my embarrassment, holding the front up to the light she sighed angrily and indicated the semen stain. Shaking her head in disgust and muttering, "Ruined!" she demanded an outrageous sum to compensate her.

Mortified, I protested meekly, stammering that I would never be able to pay that kind of money

on my student grant. She heard me out in a chilled silence, drumming her long red fingernails on the countertop. Then she gave me the most astonishing ultimatum; I had a choice – I could either satisfy her sexually in any way she demanded, or face prosecution for the damage to the suit.

I was torn between my desire to have any kind of sexual intercourse, no matter how degrading, with this powerful woman, and my pride. In the end I was led by my cock and, still shame-faced, I acquiesced to her unusual demands.

fashion model, except she had something extra. I can't explain it; all I know is that this woman somehow oozed sexual excitement.

"For the young lady I have some very smart new designer labels," Katja said in a warm voice before turning her attention to me. Looking me up

outfits – it was a respectable occasion, after all!

We had a great time at the wedding. The reception was held in a marquee and we danced well into the night. Just before dawn Eliza and I stumbled out of the tent and found a quiet spot behind the caterer's van, where we made love. It was great fucking Eliza within hearing distance of the last of the revellers, who were still whooping it up in the tent. I pulled up her skirt, and, nudging her knickers aside, lowered my flies and humped her hot snatch.

I had just finished spunking inside her when

ANITA

Photos: Lobo Press

Anita Dark's name couldn't be further from the truth, because whenever she walks into a room, she brightens the whole place with her radiant smile and bubbly personality. Still, if a girl as stunning as this wants to choose a misleading moniker, we're not going to argue – as long as she carries on taking off her clothes and playing with herself for us now and again! With those wonderful boobs and that delectably inviting pink pussy, the only dark thin about her is the gloom that descends on us when it's time to say goodbye... Ah, such sweet sorrows, eh?

...Continued from page 4

Calling for her assistant Paige to close the shop, she ordered me to follow her into a back room and made me undress. I felt degraded and uncomfortable as both the women examined me, their hands poking and fondling my privates. To my further dismay I found this humiliating treatment turning me on immensely, and my prick became erect and throbbed uncontrollably.

Smirking derisively, Katja directed her assistant to shave the 'unsightly' hair from my balls. I hoped she was joking. She wasn't. As Paige spread a plastic sheet on the floor Katja removed her skirt and knickers, dropping the latter down her long shapely legs and kicking them aside as they reached the floor.

She had a tightly curled black bush, trimmed neatly at the sides. My cock twitched in anticipation and, in my eagerness to fuck her, I almost forgot the shameful reality of my situation.

I was ordered to lie on the floor with my legs spread and my knees bent, so Paige could shave my pubes. I will never forget the feeling of vulnerability as she dabbed my crotch with cold water and lathered me up for the razor. My erection died

as she removed every hair and soon Katja was examining my freshly shaved sac.

Her touch was electric and, as she stroked my ballbag menacingly with her talons,

Dear Michelle,

As a lingerie lover, it's always a thrill for me when you feature a girl in some classy frillies, so I just wanted to email to say thank you for the wonderful pictures of the lovely Lucy in your latest issue (79.09). What wonderfully silky stockings she's got on, and I was delighted to see she kept them on throughout the spread, even when she's fingering her lovely pink pussy for us at the end. Neilla looked fabulous as well in her white stockings and suspenders, and even though she'd removed them by the end, I'll happily forgive her on this occasion! Let's have a set of Jennifer Jade in some classy stockings soon, please!
Joe, via email.
Michelle says: We'll see what we can do!

I immediately became hard once again. Dismissing Paige, Katja ordered me to my knees, and, tossing some cushions onto the floor, lay back on them with her legs

spread, demanding that I eat her out.

Willingly I set to work, my eager tongue lapping at the soft folds of her juicy cunt. As she neared orgasm, she grasped a handful

These days it's more than acceptable for gals (or guys!) to have their own stripper pole in their home – often as a form of exercise as much as performing erotic routines for their partner – so why not get your better half one as a gift? You may just earn yourself a few brownie points – as well as receiving all the benefits...! Fully adjustable, it measures 9'3" fully extended, it's designed to fit virtually any flat ceiling and because it's made by Pipedream Products, you know it's built to last. Plus, it's really easy to install with the included mounting bracket, meaning you could have it up in minutes. Ahem.

If you've ever considered a bit of bondage but were put off by the complicated knot-work involved, this easy-to-use kit is for you! The comfortable neoprene cuffs attach to the sturdy nylon straps with metal clips, which are adjustable to fit any frame or flexibility, and are connected by a metal O ring in the middle, ensuring ankles and wrists stay bound together. Although it states it as being heavy duty, we reckon experienced bondage-lovers may find it a little on the lightweight side, but having said that, unless you're a master in Kinbaku, we're pretty sure you'll love this simple hogtie-in-a-box! Perfect for BDSM beginners, or anyone who wants to get

Dear Michelle,

Loving the bum shots you guys seem to be featuring so prominently at the moment. There were at least half a dozen beautiful examples in 79.09, with the full page shots of Shae on page 18 and Nina Leigh on page 80 probably being the finest. That picture of Nina's lovely arse is practically a work of art, and I love the way you can make out the wonderfully symmetrical details of her pussy mound poking out between her beautifully proportioned bum cheeks. Pure gold! Please keep the bum shot quotient nice and high – there really is no finer sight on this earth!

Gareth, York.

Michelle says: Yes, I Was rather struck with that picture of Nina's bum myself! Sadly (even in this business) you don't come across one quite that perfect too often!

of my hair and pressed my face roughly against her gaping slot. Gagging on the flood of pussy juice that gushed forth as she came, I swallowed as best I could.

I had barely recovered my breath when I was ordered to shaft her. My cock was engorged as I pushed it between her slippery labia. As I pummelled in and out of her, she demanded that I "make

more of an effort" and I tried to please her, driving into her with all my strength. Her pussy muscles gripped my tool and I felt them undulate as she climaxed once more, moaning so loudly that for a moment I actually thought she was having me on!

I was fast approaching my own orgasm and wasn't far off popping my load when Katja grabbed one of my ears, painfully, demanding, "Come now!"

I couldn't have held back even if I'd wanted to, but the ruthless nature of her behaviour sent my prick into overdrive and I came like never before, my shaft still trembling long after I had shot my wad deep inside Katja's demanding cunt.

I told Eliza that when I'd returned the suit I'd gotten a bollocking from Katja and had to pay a fair bit in compensation – mainly so Eliza wouldn't be tempted to go back to the boutique again. I feel like a bit of a rat, but I've learnt my lesson... always clean off any stains before returning a suit!

P.T.O for more...

ELLIE

Photos: APD Nudes

Yes, we know it's the last issue of the year, but that doesn't mean we haven't got time to slip in a couple of British newbies – and here's the first! Ellie Brown hails from the south coast and this is her top shelf debut! So welcome to *Men Only*, Ellie – how does it feel to be here?

"It's a bit nerve-wracking, I guess – but exciting too! I've been thinking about trying my hand at a bit of modelling for ages, and I finally plucked up the courage to get in touch a few weeks ago. I hope you don't mind that I'm a bit inexperienced at this sort of thing..."
Not in the least – we've all got to start somewhere, and by starting with *Men Only* you've become part of a long, proud British tradition! Ahem, anyway, that's enough chat – the lights are all set and we're ready to roll. This is where it really starts to get interesting...

MADISON

Photos: Holly Randal/EXP

A woman with long brown hair, wearing a white, short-sleeved, form-fitting dress, is posing for a photograph. She is standing in front of a window, looking towards the camera with a slight smile. Her right hand is resting on her hip, and her left hand is near her waist. The background shows a window with a wooden frame and some indoor plants.

What do you reckon Madison thinks is the best part of her anatomy? That's right – it's her arse – the girl couldn't stop poking it out at us during this shoot!

"Sure, I think my arse is pretty good. I've been out with a few guys who get kind of obsessed with it! It can get a bit much when you're out and about and the guy you're with won't leave your butt alone, but hey – its nice to have the attention!"

Well, we can certainly understand guys becoming obsessed with it. We've only been looking at it for about 20 minutes now, and already we're starting to feel a bit sad about the fact that you'll be going home after this shoot!

"Ha, well you can always get me back again if you want another look, can't you?"

We may just have to!

INTERVIEW

“In porn we usually don’t get to swallow, so now I want to find a boyfriend!”

ALYSSA BRANCH

Who can resist the innocent charm and adorable girl-next-door appeal of Alyssa Branch?

For only a few shorts years, this young natural blonde has warmed the hearts and loins of many a porn fan, and has quickly risen to her much deserved status. Born in 1992 in Detroit, Michigan, Alyssa did her very first few scenes for a couple of internet companies under the name of Mindy Belle before getting noticed by the big porn companies in Los Angeles. To date, she has about 130 movie credits to her name but there are bound to be many more titles to come as she is very popular among the crew, cast and directors and therefore booked solid.

The short all-American cutie has a tight athletic body, toned abs and a nice round booty and really seems to enjoy her job, especially when she gets to take charge...

Describe Alyssa Branch the porn star!

Oh, I'm just a normal girl who was looking for something fun to do after high school. I think my porn persona is just that; a fun loving, easy girl who is basically up for anything.

Do you recall your first sex scene?

Yes and I was super-nervous! It was me and a guy and I was supposed to deep-throat, which I had never done before. And then I had to swallow all the come, too!

How did it go?

The deep-throating was the toughest part. Once I got past that, the swallowing was easy. And once things got going, I had a blast.

Do you swallow in your personal sex life?

I had only been with three guys before and I

“I like to fuck for at least one hour, so I can get off more than once...”

had never deep-throated anyone, much less swallowed come. But since then I just want to do it all the time, and in porn we usually don't get to swallow so now I want to find myself a boyfriend!

What kind of sexual positions do you enjoy the most?

I like to be on top. I think I'm really good at pleasing a man and myself at the same time. My pussy muscles are very strong so I can basically squeeze a man to orgasm as I come.

What kind of guys do you prefer?

The ones that are easy-going and not too complicated. If they complain a lot, I get turned off (*Why would they complain?! - Ed.*).

Which porn stars do you admire?

Personally I think all the Eastern Europeans are very hot. Their sexiness is real, the men are 100% men, and the girls are simply better looking over there.

So you watch a lot of porn?

Not crazy much, but maybe once a week. It's usually just me and my dildo.

Favourite sex toy?

Hmm, I only have three dildos. One I got from some old boyfriend, the others I got on set. I like them all, but I would like to try a wider variety of sex toys.

Do you actually achieve orgasm during your scenes?

I do! I'd say 80% of the time. I know my body so well now that I can relax and enjoy myself during scenes.

What can a man do that makes you happy almost every single time he does it?

Well, I'm rather bisexual, so it could be a woman, too. What I like most is someone who is very energetic. I like to fuck for at least one hour so I can get off more than once, so he has to have stamina.

Circumcised or not?

Not! I like that Europeans usually aren't. It feels really good. Really soft.

What kind of panties do you wear?

Lace boyshorts.

Would you ever get a boob job?

Never, and no other plastic surgery either. I think I have a great body.

What do you do to keep in shape?

Diet and exercise. When I first started performing I was 135lbs and now I'm 110lbs thanks to daily gym visits. I'm leaner, meaner and ready to take over the adult industry!

Do you stay in touch with your fans?

I love, love, love my fans and I know how much they love reading personal stuff about me so I'm always tweeting on Twitter and posting candid photos of my personal life. I also answer questions all the time on the different adult message boards. I'm a huge internet fanatic!

How can your fans have their way with you?

They can just contact me. I'm easy to find, like I said, I'm on Twitter!

JASMINE

Photos: BB Media

Just in case you couldn't tell from that raunchy look on her face, Jasmine Jae's quite a mucky pup who's never happier than when she's got a cock (or two) at her disposal!

"Too right! Life's too short to be pussyfooting around all the time. When I've got the horn, I really want to do something about it, so look out guys if you run into me on a night out, because you could be in for a bumpy ride!"

Yikes – that sounds like a bit of a challenge, but we'd like to think the *Men Only* readership wouldn't be found wanting if the opportunity arose!

"I've never been out with a guy yet who failed to rise to the occasion," Jasmine boasts, and we can well believe it. Why just sitting here talking to her, we can feel something starting to rise already!

ANAL ALAN

I'd always been wary of trying bum sex for the simple fact that I thought it might hurt. None of my mates had experienced it and I didn't feel it was something I needed to do. Unfortunately, my ex-boyfriend didn't share the same opinion and, looking back, I suspect my lack of desire to take it in the rear from him was a contributory factor to our break up.

Then I met someone even better than my ex. Alan was fit, intelligent, really successful and basically someone I could see myself getting married to and having kids with.

For the first few months of us being together the sex was great but it soon became clear that Alan was yet another guy with an adventurous streak. When we had sex he would often make moves towards my virgin brown hole and although I resisted for a while, my trust in him and my desire to take things to a new, more intimate level, soon resulted in my anal submission.

I hadn't seen Alan for a few days because we both had work commitments so I knew when we did get together next we were going to have one of those really wild sex sessions. I decided that would be the moment for me to give up my anal cherry to him.

There was still the underlying worry that it might be painful so prior to meeting Alan I invested in some lubricant. Not only would it hopefully save me some discomfort, it might

also signify my intentions to Alan if he had already given up on the idea of doing me up the arse.

While being apart from each other we had kept in touch by text and our exchanges had got pretty explicit. In my last message to him, a few hours before he came round to my flat, I told him that I had a special treat for him. And that's how it was left...

Just after eight in the evening Alan was ringing on my doorbell. I was flushed with the excitement of seeing him and waited eagerly at the top of the stairwell as he ascended the three floors to my flat. I'd tactically just worn my knickers and a bra. Well, why bother making the effort to dress up when I'd be naked again in a matter of minutes? I say a matter of minutes but it was more like a matter of seconds as we'd hardly exchanged hellos

when Alan was clawing my undies off.

I dragged Alan inside my flat and straight to my bedroom. He threw my naked body on to the bed and while I waited there open legged for him, he quickly undressed.

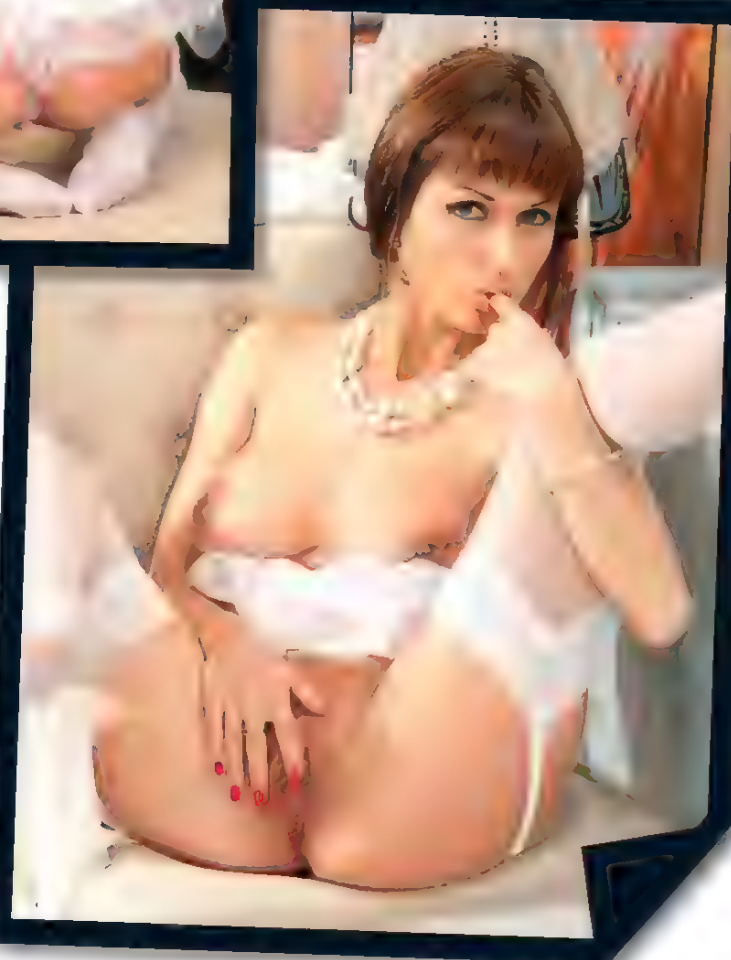

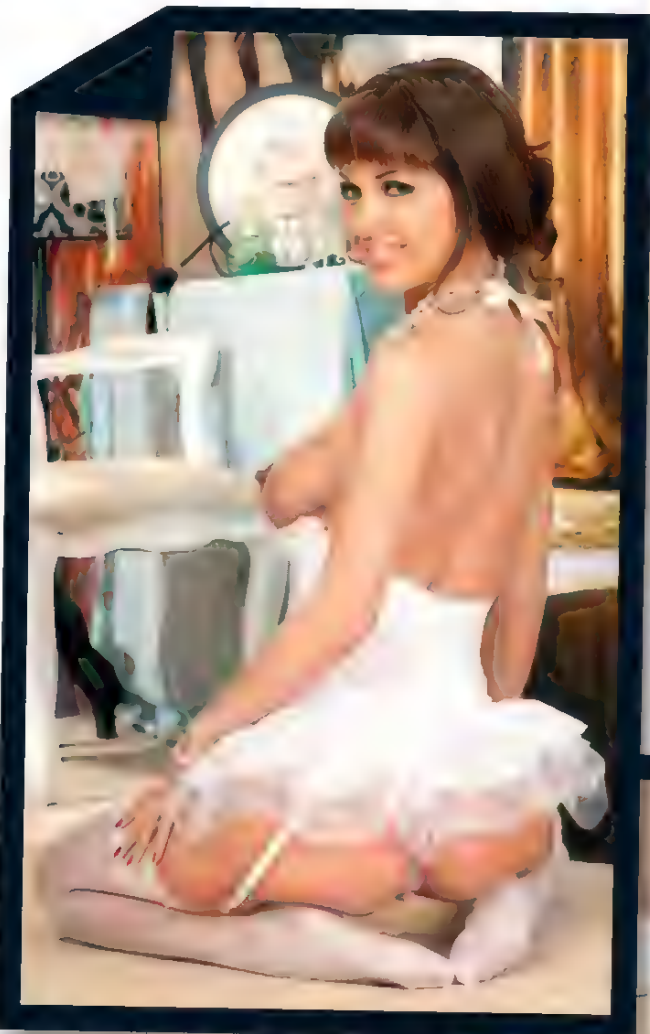

Alan dipped his head between my legs and began to tongue hungrily at my pussy.

"I felt one of his fingers coated in lube slide down my crack. He stopped at my arsehole..."

I grasped his head and held it close, savouring every lick.

He took his time eating me out but all I could think about was giving up my arse to him so without hesitation I just came out with it: "Alan, I want you to fuck my arse!"

You should have seen the look on his face. His eyes lit up and a smile beamed from ear to ear. He was like a little boy

receiving the Christmas present he had wished all year for.

"Are you sure?" Alan quizzed.

I just nodded and turned myself over, raising

my virgin arse in the air for his taking. At the same time I reached over and grabbed the lubricant saying, "You might want to use a bit of this."

Alan gently grabbed my bum cheeks and pulled them apart. Then I felt one of his fingers coated in lube slide down my crack. He stopped at my arsehole and circled it several times, smearing the creamy gel around it. I winced as I felt a single digit breach my hole but to my surprise it didn't hurt. In fact it felt quite thrilling.

For the next few minutes Alan slid one, then two of his fingers deeper into my arse, allowing me to get used to the sensation. I couldn't believe how much it was turning me on.

Then came the real joy.

Alan removed his fingers and then I felt something broader pressing against my ring. No prize for guessing what it was. I gripped my bed sheets as Alan slowly nudged his cock into my rear. Admittedly, it took some time to get accustomed to, despite the preparation, but Alan was gentle all the way.

I told him I was now comfortable with the anal intrusion and he proceeded to make deep but delicate strokes in my behind. It felt totally different to normal fucking but I

thought to myself I could grow to like it. And I did just that in a matter of minutes once Alan used one of his hands to rub my clit in tandem with fucking my arse.

Getting pleased in both holes at the same time felt awesome. Combined with the thrill of being bummed for the first time sent all sorts of feelings around me. I started to shiver as I could feel an almighty climax brewing inside me.

Sure enough, several more minutes of Alan's anal thrusts and clit fiddling took control of me. I wailed out with great delight as I came. Alan tried to keep pounding my rear but my sporadic movements made it difficult for him to do so and in the end he slipped his prick out of my backdoor.

I was so engulfed in sexual ecstasy that I slumped on the bed and Alan had to finish himself off. He tugged on his prick until it exploded and he

WHITE KNUCKLE RIDE

Last month my girlfriend enticed me up to Yorkshire by promising a dirty weekend. Unfortunately, the sleeping arrangements meant we were going home having been entirely frustrated. Even the weather had conspired against us as we'd searched out a private corner in the countryside. "We've had less sex than we would have had if we'd stayed at home," I moaned.

"Tell me about it," Lisa said sullenly. "All I managed was a quick frig in the Ladies."

I laughed. "I knew it! I knew there wasn't a queue."

"Yeah, well. It wasn't that great," Lisa said.

"Well, as I see it, you're an orgasm ahead. You owe me." That put a smile back on Lisa's lips. She's got a naughty streak a mile wide and it doesn't take much to bring it out into the open. I knew my girlfriend had been feeling bored and restless and the idea of going home without having managed to

have sex even once wasn't a happy one. As we made our way to the car, I saw a sparkle in Lisa's dark eyes and there was renewed determination in the way she strutted towards the back seats of the BMW, which had already been a prison for a couple of hours. The smile which played at the corners of her mouth told me that a very boring weekend was about to get rather more interesting.

We got into the back seats and I immediately clocked the way Lisa let her little skirt ride right up her thighs. As her legs came apart, I was treated to an extended viewing of her pretty knickers. Pulling the crotch of her knickers to one side, she knew that I could clearly see her pussy. I felt my breath catch in my chest and we glanced at each other and smiled. My cock inflated as her hand went down between her legs. The idea of her touching herself with our friends sitting in the front seats drove me crazy. It seemed impossible that our friends weren't aware of the sexual tension sizzling across the back seats. Knowing exactly what she was doing to me, Lisa twisted her legs to

give me a visual feast as she slipped a finger inside herself. My cock throbbed, wanting to be where that lucky digit was moving, gently fucking my girlfriend's pussy. I swallowed heavily as she extracted her now-glistening finger and gave a small sexy sigh as she lightly touched her lower lip.

"Everything all right back there?" Marie asked, as I groaned involuntarily.

"Yes. I think I sat down wrong," I said, shuffling in my seat. "I've got pins and needles in my leg." Lisa sniggered as she

gave me a knowing look. She knew exactly where my missing blood had relocated. Holding up her juicy finger, Lisa lowered her head and proceeded to give her finger a lazy blow-job. She was teasing me in the most cruel way imaginable. It made me hungry for her, which was exactly how she wanted me.

We'd thrown the coats into a pile in the middle of the back seats and it was through this mound of clothes that Lisa's hand suddenly appeared. She was staring straight ahead as though lulled by the movement of the car but what she was really doing was concentrating on what she could feel with her right hand. Her fingers stroked the bulge of my cock but she made it clear that she wanted more. Lisa wanted me to get my cock out so she could stroke it properly. I shook my head but Lisa looked across and gave me her best pleading expression. I had to do what she wanted.

Shifting my coat, I carefully unzipped my trousers and pulled my aching cock free. Having Lisa's hand wrapped round my exposed cock was unbearably exciting, especially as it started to move with a subtle rolling motion. Even when Lisa was trying to tease me, she never used such subtle

"Her fingers stroked the bulge of my cock but she wanted more."

strokes. Suddenly my foreskin slipped below the thick rim of my glans and Lisa's fingers played directly over the sensitive surface of my glans. The hot flash in her eyes told me that she knew what had happened and the motion of her hand changed, the intensity of her touch making it feel as though steam might come out of my ears. Lisa glanced over at my crotch, and then licked her lower lip hungrily at the sight of my eager cock jutting up from my body. My balls tightened at the memories of Lisa's mouth sucking and licking. The rising tension made me think about finding a tissue as I was liable to lose control if Lisa chose to up the ante.

It was at that moment when Marie turned round in the front seat. I had hoped that the coat on my lap would be enough to hide what was going on

"No," Lisa answered for me, and the urgent movement of her hand made my muscles tense as the need to orgasm became overwhelming. The sensation was sharp, plateauing at near-to-bursting level for several wonderful seconds. The primitive, explosive pleasure sucked at my balls and both women looked at me as I sighed as quietly as I could manage. Lisa pinched her fingers over the top of my cock but it was already too late; the slow simmer had come to the boil and my

spunk was leaking out under and between her fingers as the orgasm roared in my head.

Once the pleasure faded, Lisa forced her arm up through the pile of coats and brought her spunky fingers to her lips. Marie watched as my girlfriend's tongue curled around her dirty digits, cleaning them one by one. Seconds later, Lisa dipped her fingertips in more of the spunk but instead of returning them to her own mouth, she offered them to Marie's. Marie was almost cross-eyed as she studied Lisa's spunk-covered fingers. She seemed mesmerised, and it was only as the car jolted that she seemed to make a decision. She bent down and fastened her mouth over Lisa's fingers. Both girls now had the taste of my spunk in their mouths. It was so sudden and unexpected - an erotic taste-kiss which connected Marie's mouth to my cock. By the time Lisa's fingers came back for more spunk, my cock was hard again and both girls knew why. As Lisa licked her fingers once again, my imagination sank into a forbidden world where Marie got to play with my cock and collect her own load of spunk.

"I'm feeling a bit car sick," Lisa announced.

"Marie, would you mind if we swap over?" The small, sexy smile which played across Marie's face was answer enough. It wasn't too long after the girls swapped places that Marie's knuckles were painted white and what had threatened to be a wasted weekend turned into something truly unforgettable.

Ryan, Derby.

from prying eyes. However, it was clear from the way she instantly looked down and the expression on her face that it wasn't. I didn't know exactly what she could see, but it was definitely enough. Marie looked across at Lisa, her eyes like saucers, but rather than stop, Lisa just shrugged and carried on stroking my cock, doing nothing to shield what she was doing. Marie shifted in her seat so that she could watch. The sparkle in her hazel eyes as she watched made me even more aroused than I had been. "So how are things with you two?" Marie asked.

"Oh, they're great," Lisa replied, her voice noticeably huskier than normal.

"Not going too fast for you?" Marie asked, addressing me.

"Lisa pinched her fingers over the top of my cock, but it was already too late..."

"No, no."

Marie tilted her head uncertainly. "You don't want Lisa to back off a little, take it a little slower?" she asked. Her eyes flashed naughtily. "Don't you think that would be for the best?" she asked.

SYREN

Ooh, it feels like an age since we last hooked up with Durham-born babe Syren, and it seems there's a reason for that that her fans might not want to hear...

"Aye, well the thing is, I'm probably going to have to give up the modelling soon," she tells us, causing a sharp intake of breath around the room as well all absorb the news. "I'm off to catch up on the education I've missed out on by becoming a model, so I'm going to be concentrating on my studies from now on."

Well, that's all very commendable, but couldn't she make a bit of time for us, in between all those undergraduate piss-ups and the two or three lectures she might have to attend every week? And that's without even mentioning the four month summer holiday and all the reading weeks when she could pop in for a shoot!

"I don't know - I've had a great time doing this, but my advice to all my fans is to hang onto this issue of *Men Only*, because I might not be shooting for quite some time now..."

Well, of course they'll hang onto it - who'd chuck away a magazine that's got pictures like these in it?!

The end of the year is a time to pause, sit back, and reflect on what you've achieved over the last twelvemonth. Hmm, depressing, isn't it? OK, let's forget about that then, and instead sit up again and check out these pics of the ever stupendous Dani Maye instead! Let's face it, you'd have had to have had a pretty bloody impressive 2014 for it to compare in any way to the all round loveliness of one of the nation's favourite hotties, so unless you've, er, come up with a cure for cancer or something (do let us know if you have, btw!) then the year now creeping towards its end isn't really going to be worth crowing about is it?

But how about Dani herself? How does she rate her year?

"Well, I got to be in *Men Only* a few times, so not bad, I'd say!" she grins. Not bad at all, love – not bad at all!

BEHAVIOUR

Sounds like Katie knows how to have a good time at weddings!

My name is Katie and I am 19. I am a petite brunette, with perky B cups and a sporty body which I keep toned and fit. Over the past while I have had a couple of boyfriends, none of them special enough to be long term, so I was not particularly experienced sexually until I met Dave.

It was at my cousin Tara's wedding that I met him. He was a friend of the groom's family and had an air of quiet confidence about him. He was elegantly dressed in an expensive suit and so handsome that I couldn't keep my eyes off him. I noticed, however, that I was not the only girl checking him out – even the bride took a sneaky look!

I was walking toward the lift when he hurried away from the people he was speaking to, caught up with me and introduced himself. His posh accent really did it for me and when he paid me an extravagant compliment, I was his for the asking. The lift doors opened and David waved me inside in front of him. Thankfully we were alone and as I looked up at him my toes curled and my knees parted slightly as I started thinking nasty thoughts about sucking his cock... just so that I could hear how dirty words would sound in that accent!

The thought that the lift doors could open again at any moment was lost on me as I licked my lips and tried not to stare at his groin. As though reading my mind, David took one

“David yanked my bra down under my pert tits, his fingers pushing my breast flesh up...”

deliberate step towards me, and then his lips covered mine. I was on a high and I could not resist when he thrust his tongue directly into my mouth, as though imitating the act of copulation.

We were between the third and forth floor when he reached across me and pressed the “stop” button. I was trembling with excitement as his hands reached for my tits and I felt his fingers tugging at my nipples through my silk camisole. Feeling like a complete slut, but being unable to resist, I placed my hands over his and encouraged him to keep going.

Desperate for more, I pulled my camisole up as David yanked my bra down under my

pert tits, his fingers pushing my breast flesh up towards his lips. Sucking hard on my erect teats he nipped at my tender nipples adding a little pain to the pleasure, making my pussy contract as my juices seeped through my panty

gusset and dampened the insides of my thighs.

Blinded by lust, I forgot about the outside world, not caring that there may have been a camera in the lift, or that the staff may have

noticed the lift had stalled. David's hand slid under my knee, raising it, his fingers trailing up my thigh and pushing aside the crotch of my silk panties, then sliding along my juice-slickened labia and entering me. His long manicured fingers dipped deep inside my pink love hole as he thumbed my clit.

In response I unbuckled his belt, lowered his zipper, and eased his boxers and trousers down from his narrow hips. I stroked and caressed his large erection, encircling his shaft with my fingers and beginning a steady pumping motion, watching with satisfaction as a drop of pearly pre-come fell onto my fingers.

With a wolfish grin, David hiked up my skirt. Then, with a hand under each of my thighs, he hoisted me up to the handrail, firmly pinning me between himself and the mirrored lift wall. With his trousers down to his knees, my panties were the only barrier to our lovemaking, so he simply ripped them off, discarding the tiny scrap of silk

“All I could focus on was the length of his hard cock in me and the sensations of lust-filled pleasure.”

on the floor.

His bell-end pressed against my moistening labia as his lips latched onto my nipple, and as he nipped my teat he slid his cock balls-deep inside me, filling my throbbing pussy with his rock-hard erection. I was in complete ecstasy. All I could focus on was the length of his hard cock in me and the raw sensations of lust-filled pleasure as his thick appendage sawed away inside me.

I wrapped my legs around his waist and held on tight, clenched my pussy muscles firmly around his fiercely thrusting cock. Naked lust was driving him on, making his thrusts harder each time, and he slammed me against the wall with each stroke. I glanced over his shoulder at the mirrored wall, grinning as the reflected image made me feel dirty and naughty, increasing my arousal. Occasionally he would grunt in time with his thrusting, especially when I contracted my muscles tighter around his cock.

David's face was turned away from me, so I couldn't see his expression, but his thrusts were measured and even then I felt that he was still able to maintain control. Feeling naughty I started to talk dirty to him, grinning when he responded with a particularly sharp thrust, and the pace picked up, his fucking becoming

almost brutal until at last he lost control. He slammed into me hard, sending my breasts jiggling. Every muscle in my body tensed as I came like a train and my vaginal muscles tensed around him. David's arms gripped me hard; holding me absolutely still as he gave one last deep thrust and emptying himself into me.

Holding me for a moment, he kissed my forehead, supporting me as I slid down from my perch on the handrail. He turned from me and pulled his trousers up as I adjusted my clothing. When he turned back his face was the mask of calm and civility, with not a hair on his head out of place. He pressed a button and the lift ascended again and as the door opened I realised too late that my panties were on the floor. With a giggle I skipped through the doors without them, racing on in front of him towards

JAINIE

Photos: AK / EXP

Given that there's an Ashes tour coming up in a few months, we figured this might be our last chance for a while to be on friendly terms with an Aussie – and if there's one Aussie we'd like to be on friendly terms with, it's Jaime here!

"Ha – yeah, you Poms won't know what's hit you this summer when our boys come over here and teach you how to play cricket!" she laughs, with the sort of brashness you might expect from a Aussie. "When Mitchell Johnson fires them up, your batsmen are going to wish they were back in the hutch with a copy of *Men Only* in one hand and their cocks in the other, rather than out in the middle with a bat their hands!"

To be honest, with girls like you in the mag, we'd rather be doing that anyway, no matter who was bowling!

Blimey - here we are with the final girl of the issue and we've only gone and kept a total stunner up our sleeves! Brittany hails all the way from Australia, so what the hell's she doing over here in the winter when she could be on the beach catching some rays back home?!

"I'm asking myself the same thing!" she laughs. "My family never tire of telling me how sunny it is there. Next time I come over, I'll make sure it's in time for the British summer!"

Well, that might be a rather short visit!

KEIRA

Photos: DazzyGlam

Mmm, Keira Moon here seems to be staging a one-woman tribute to the 80s, what with all that bright pink! The Ed tells us he used to wear socks that colour to school for a bit, before the Headmaster noticed them and told him to stick to sensible black ones! So what's the big idea, Keira?

"Oh, I don't know - I guess the 80s were a fun time, weren't they? All that cheesy pop. it's a bit before my time, to be honest, but who doesn't like boogying to a bit of Duran Duran at the end of a boozy night out?"

Maybe so - but we'd much prefer doing something else at the end of a boozy night out with you, love!
